

English

This term we develop our learning from the Autumn Term through the Read, Write, Inc. programme. We continue to develop our handwriting and improve our sentence writing skills to develop a longer piece of writing. We learn new spelling patterns. We also read some exciting books including Superworm.

Physical Education

We develop our physical, musical and movement skills this half term through the topics; dance and cheerleading.

Religious Education

We develop our faith journey as we follow the programme Come and See. In the Spring Term we learn about; 'Special People' – People in the Parish family, 'Meals' – Jesus special meal, and 'Change' – Lent a time for change.

Maths

We continue to develop our knowledge and understanding of place value of numbers to 20. We learn different strategies to add and subtract, as well as how to multiply and divide. We begin to look at fractions.

Year 1 Spring Term

Art and Design & Technology

To link with our theme topics, we design, create and evaluate a lighthouse. As well as experimenting with collage textures to create a stained glass window.

Computing

This term we explore our technical skills using Microsoft PowerPoint to create and deliver a PowerPoint about our Theme topic. We continue to learn about the importance of staying safe online and what we would do if we needed help while using a programme online. We also explore a paint programme as we learn about our local city.

Theme

During our Geography topic 'Our Local City' we get to know the areas around us, as well as using maps. We learn about the Historical figure, Grace Darling and the importance of her story. We take a trip to Souter Lighthouse to imagine what life was like for Grace Darling and learn more about her importance in History.
