

Homework Questionnaire

Our staff and governing body are looking to change the current homework system that we currently have here in school. We appreciate that for many parents and children, homework can be a complex task. We welcome the views of parents and carers about the homework that your child receives, so we have devised a questionnaire and would appreciate your feedback.

We are open to developing a homework policy which we hope will evolve as we see what you want for your children as well as what staff and governors feel is appropriate and effective. It will be incredibly hard to suit everyone but we do promise a fair and open consultation which we hope you will enjoy being part of.

Please return all homework questionnaires by **Friday 17th February**. A printable copy of the questionnaire is available on our school website.

Thank you for your co-operation.
