Christmas Play Recordings

Dear Parents and Carers,

The children's Christmas plays were wonderful this year- laughter, dedication, beautiful singing and as always, our very happy children! For anyone who was able to attend the performances, we did ask all parents and carers to refrain from recording any of the performances for safeguarding purposes.

We are looking to create a YouTube channel in school which can be accessed via our school website. All three of the children's Christmas plays can be added to this channel as long as we have permission from all parents to do so. Even though you have already completed the online photography/publishing forms, we are asking parents to complete the slip below (**to be returned by Thursday 21st December**) only if you do object to your child's performance in the Christmas play being published onto YouTube.

You only need to complete the slip below and return it to school if you do not give consent for your child's performance to be published on YouTube. We will aim to edit these children out of the recording or if this does prove too difficult, we won't be able to publish these recordings online. If anyone would like any further information about this, please do not hesitate to contact me.

Kind regards

Catherine Harper
