

Welcome to Year 3

Hello!

My name is Mr Quinn. I am new to St Benet's but I know you will all help me fit in and show me around. I'm looking forward to getting started and it will be exciting and fun to work in Year Three again. I have been to school a few times and it seems lovely but it will be even better with all of you in it. I can't wait to meet you all in September.

All About Me

I love to have fun with my family and friends. I am always trying to build, create or do something. Every time I get the chance, I like to have some sort of adventure with my family. We especially love being outdoors exploring, visiting the coast and swimming. I also love sport: I play football and badminton and I enjoy running and keeping fit. At home, I like to play games, watch movies, read books and build Lego with my girls.

Next Year...

I am very excited to teach you in September; I know we are going to have great fun together.

We will have lots of exciting and interesting topics to learn about such as Stone Age and Iron Age Britain, the Egyptians and the Greeks.

I hope you have had a lovely summer. Have lots of fun, stay safe and I look forward to seeing you in soon.
