

Welcome to Year 4

Hello!

My name is Miss Loughlin and I am so excited to be your Year 4 teacher!

I have missed your lovely, smiley faces and I cannot wait to be your teacher again this year. We will work hard, but most importantly have lots of fun! I'm extremely excited to catch up with you all and see how you have grown since our time together in Year 1!

All About Me

Since you knew me in Year 1, lots has changed but my biggest news is that I have moved out of my parent's house and now live in a house of my own!

What is new with you? I really enjoy going for walks and finding new places around where I live. I love travelling and I can't wait to be allowed to travel again so I can visit some new places around the world.

Next Year...

I am looking forward to teaching you again this year and I hope you are just as excited as me! School may look a little different in September, but I am here to support you and make you feel as happy, safe and comfortable as possible.

One of our class books for next year is "Fantastic Mr Fox." If you have the book or film at home, you could read and watch this before we come back to school!

You could even create some artwork around the events in the story.

I hope you have a lovely Summer. Have lots of fun, stay safe and I look forward to seeing you in September.

Love, Miss Loughlin
