

Action Plan for the allocation of Sports' Premium Funding 2020-2021

For the academic year 2020-2021, our Sports' Premium Funding allowance is **£17,870 + £2675 (from 2019-2020 carried forward) = £20,545**

Following the implementation of this action plan, it is expected that schools will see an improvement against five key indicators:

1. The engagement of all pupils in regular physical activity – guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased knowledge, confidence and skills of all staff in teaching PE and sport
4. A broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
