

Welcome to Year 6

Hello!

My name is Miss Williamson. I cannot believe you are all going to be Year 6 in September. It only feels like yesterday when we were all together in Year 3. I am very excited to start our Year 6 journey together. We will work hard, but most importantly have lots of fun along the way. I can't wait to see you all in September.

All About Me

As most of you will know, I love going on lots of long walks with my dog Lola. We love to visit new places but my favourite is going to the beach and having fish and chips. I am sure you will hear me talking about her lots over the next year. In my spare time I also enjoy playing netball. It keeps me fit and healthy!

Next Year...

I am very excited to teach you again in September and I hope you are just as excited as me! School may look a little different in September, but I am here to help you feel happy and safe in school. We will have lots of exciting and interesting topics to learn about such as WW1 and learning about Fantastic Forests. Our first book that we will be reading is War Horse by Michael Morpurgo. I am sure you will love reading it.

I hope you have had a lovely summer. Have lots of fun, stay safe and I look forward to seeing you in September.

Love Miss Williamson
