

Welcome to Year 5

Hello everyone!

I hope you are all well and are feeling excited about returning to school in September to be in Year 5! It will be so good to see all of your happy faces and for you to meet your friends again-good times are ahead.

All About Mrs Bissell

I have been teaching in Year 5 for four years now and I always love getting to know everyone in my class. I hope you enjoy getting to know me too, so here are some things about me you might like to know about before September...

My favourite animal is a cat, my favourite food is chocolate, I love fruit and basically talking about any food! I like to meet up with my friends, swim, go to the gym, cycle and go on walks with my family.

Next Year...

I am really looking forward to next year and teaching you all new things and helping you to make progress but most of all, making you feel settled, confident and welcome in Year 5. There is so much to look forward to and I am sure there will be lots of laughs along the way too-see you in September!
