Zoom Christmas Nativities/ Liturgies

Dear Parents and Carers,

You shall all be sent a link to your child's Nativity or Liturgy that is happening next week. The link shall be sent via Parentmail and you should receive a notification, as well as an email. On the day of the event when you click on the link, you may be asked for the Meeting ID and Passcode which shall also be sent in the Parentmail notification.

In order to help each event run smoothly, please can we ask parents/carers to follow the housekeeping rules below:

- A staff member will need to admit you into the zoom room, therefore as there will be many of you trying to log on at the same time, we ask that everyone tries to log on within the 15-minute period before the event starts.
- Please ensure that your microphone is muted at all times during the event.
- We are hopeful that we will be able to record each celebration on our lead computer, therefore we ask that no parents record it themselves.
- The Y2 and Y1 liturgies have zoom times set for 15 minutes before the start time (due to the time intervals available on Zoom). The events will start at the correct time written below.

Our children and staff have been preparing for some wonderful celebrations to share with you all this Christmas time. I know this is a very different experience for all of us this year, and we are certainly new to this technology way of working, but I am sure that you will enjoy each Christmas event.

Hopefully you will be able to access the zoom links easily either on a laptop, tablet or mobile phone. Please contact us if we can assist in some way.

Kindest regards,

C. Young
