Pelton Youth Project (Pelton Community Association) Christmas Hamper Support for Families

2020 has been a particularly challenging year for families as a result of the Coronavirus Pandemic. Pelton Youth Project recognises this and would like to help families who **do not qualify for free school meals** over the Christmas Holidays. You may have been affected by redundancy, furlough, SSP, and other loss of earnings. This project aims to offer you a helping hand with food over the Christmas Holidays.

This is a follow-on from our 'Picnics 2 Go' project that provided families with daily packed lunches over the summer school holidays. We are going to provide Christmas Food Hampers to families with children in the **Pelton Division** on both **Monday 21st December** and **Monday 28th December 2020**. We are able to offer this support thanks to a grant from Chester-le-Street Area Action Partnership and the ongoing support of our local Councillors. The Christmas themed hampers will be delivered to your home by one of our volunteers on the afternoon of both the above dates.

If you feel that you qualify and would benefit from this support, please email **peltonhampers@yahoo.com** to sign up to the scheme. On receiving your email, we will confirm that you have been added to our list. You will need to provide your name, address and a telephone contact number for delivery purposes only. Your information will be removed once the scheme ends after the Christmas Holidays and your information will be kept confidential.

If you are eligible and are signed up to receive support from the Christmas in a Box Project, we politely ask that you don't sign up to both.

We are also happy to receive referrals from schools and partner organisations who are working with families in the area that would benefit from this support. Please use the same email address.

Yours Sincerely

Thomas Jones
Youth Project Manager
